

# KENYA QUICK WINS: NATIONAL & COUNTY LEVEL ADVOCACY

- Treasury issues budget template with FP line item
- Costed Implementation FP Strategies developed in four focus counties (Kakamega, Tharaka Nithi, Siaya and Kitui)

## CURRENT PRIORITIES

- Focus counties establish FP working groups as platforms for advocacy
- Counties allocate funding to FP
- FP included in the final Kenya GFF investment case
- Pharmacists and pharmaceutical technologists allowed to provide DMPA
- Rollout of CBD of DMPA in counties
- Set up advisory committee to Council of Governors

# CHALLENGES, LESSONS & NEXT STEPS

## KEY CHALLENGE

- Negative perception of FP by a section of politicians

## KEY LESSON

- County FP costed implementation plans help prioritize FP in county budgets

## IMMEDIATE NEXT STEPS

- Orient county level FP working groups on AFP advocacy strategies and ImpactNow tool
- Meet the leadership in select focus counties to allocate funds to FP
